

Handwriting practice sheet for the character 丨 (vertical line). The sheet features a grid of dotted lines for tracing and writing. At the top left, there is a header box containing the character 丨 and its stroke order (). To the right of the header box, there are six empty square boxes for additional practice. On the left side of the grid, there is a vertical scale with numbers 6, 8, 10, 12, 14, 16, 18, 20, 22, and 24, each accompanied by a small white circle. The grid is designed to help students practice the correct height and placement of the character 丨.

A large grid of dotted lines for handwriting practice, intended for independent practice of the character 丨. The grid is empty and covers the entire right page of the sheet.
